

GRUNION SCIENTIFIC LITERATURE REVIEW

Journal Articles, Books, Chapters, Theses, Dissertations (past 30 years)

Grunion Science in the 1990s

- Benz, G. W., R. L. Otting & A. Case. 1995. Redescription of *Argulus melanostictus* (Branchiura: Argulidae), a parasite of California grunion (*Leuresthes tenuis*: Atherinidae), with notes regarding chemical control of *A. melanostictus* in a captive host population. *Journal of Parasitology* 81: 754-761.
- Broadbent, S. L. 1998. Embryo survival of the California grunion, *Leuresthes tenuis* (Osteichthyes: Atherinidae): Individual and seasonal variation in egg pod viability. Master's Thesis, California State Univ., Long Beach. 50 pp.
- Darken, R. S., K. L. M. Martin & M. C. Fisher. 1998. Metabolism during delayed hatching in terrestrial eggs of a marine fish, the grunion *Leuresthes tenuis*. *Physiological Zoology* 71(4): 400-406.
- DeMartini, E. E. 1999. Intertidal spawning. In M. H. Horn, K. L. M. Martin & M. A. Chotkowski (eds.), *Intertidal fishes: Life in two worlds*, pp. 143-164. Academic Press, San Diego, CA.
- Dyer, B. S. & B. Chernoff. 1996. Phylogenetic relationships among Atheriniform fishes (Teleostei: Atherinomorpha). *Zoological Journal Linnean Society* 117: 1-69.
- Gaida, I. H., D. G. Buth, S. D. Matthews & A. L. Snow. 1998. Allozymic variation in the California grunion, *Leuresthes tenuis* (Atheriniformes: Atherinopsidae). *Gene Families and Isozymes Bulletin*, Sheffield Halam Univ. Press.
- Gellert, G. A., S. J. Daugherty, L. Rabiee, M. Mazur & R. E. Merryman. 1994. California's American Trader oil spill: Effective interagency and public-private collaboration in environmental disaster. *J. Environmental Health* 46(4): 7-14.
- Gobalet, K. W. & T. L. Jones. 1995. Prehistoric Native American fisheries of the central California coast. *Transactions American Fisheries Society* 124: 813-823.
- Haas, J. W., Jr. 1991. Irwin A. Moon, F. Alton Everest and Will H. Houghton: Early links between the Moody Bible Institute and the American Scientific Affiliation. *Perspectives on Science and the Christian Faith*: 249-258.
- Lawrenz-Miller, S. 1991. Grunion spawning versus beach nourishment: nursery or burial ground? *Proceedings of the 7th Symposium on Coastal and Ocean Management. Coastal Zone '91*(3): 2197-2208.
- Loew, E. R., R. A. McAlary, W. N. McFarland. 1997. Ultraviolet visual sensitivity in the larvae of two species of marine atherinid fishes. Pp. 195-210 in: *Zooplankton: Sensory Ecology and Physiology* (P. H. Lenz, D. K. Hartline, J. Purcell, D. Macmillan, eds.). CRC Press.
- Martin, K.L.M. 1999. Ready and waiting: Delayed hatching and extended incubation of anamniotic vertebrate terrestrial eggs. *American Zoologist* 39: 279-288.

- Martin, K. L. M. & R. A. Strathmann. 1999. Aquatic organisms, terrestrial eggs: Early development at the water's edge. *American Zoologist* 39: 215-217.
- Middaugh, D. P., L. R. Goodman & M. J. Hemmer. 1993. Methods for spawning, culturing and conducting toxicity tests with early life stages of estuarine and marine fishes. Pp. 167-192 in: *Handbook of Ecotoxicology, Volume One*. P. Calow, Ed. Blackwell Scientific Publishers, Oxford, England.
- McCoy, E. A. 1998. Effects of No. 2 fuel on *Leuresthes tenuis* and comparison to P450 reporter gene system biomarker. MS Thesis, San Diego State University, 150 pp.
- Parenti, L. R. 1993. Relationships of atherinomorph fishes (Teleostei). *Bull. Marine Sci.* 52: 170-196.
- Rosales-Casian, J. A. 1994. The effect of rotifer (*Brachionus plicatilis*) density on the survival and growth of California grunion (*Leuresthes tenuis* Ayres) larvae. *Marine Environmental Research* 38: 71-75.
- Rosales-Casian, J. A., I. Alfonso-Hernandez, and N. G. Hammann. 1990. The effect of seawater chlorination on the survival and growth of California grunion (*Leuresthes tenuis* Ayres) larvae, in laboratory conditions. *Ciencias Marinas* 16: 31-46.
- Taylor, M. 1990. Estuarine and intertidal teleosts. In A. D. Munro, A. P. Scott, and T. J. Lam (eds.), *Reproductive Seasonality in Teleosts: Environmental Influences*, pp. 109-124. CRC Press, Boca Raton, Florida.
- Vasquez-Yeomans, L., E. Carrillo-Barrios-Gomez, and E. Sosa-Cordero. 1990. The effect of the nanoflagellate *Tetraselmis suecica* on the growth and survival of the grunion, *Leuresthes tenuis*, larvae. *Environmental Biology of Fishes* 29: 193-200.
- Vasquez-Yeomans, L and E. Sosa-Cordero. 1992. Culture of grunion *Leuresthes tenuis* (Ayres) larvae to metamorphosis, in the laboratory. *Ciencias Marinas* 18: 1-18.
